## GUIDELINES FOR A SUCCESSFUL CLASS (THESE GUIDELINES PRESUPPOSE TO A DEGREE IN-PERSON CLASS.)

- 1. COME TO CLASS ON TIME. COME TO CLASS PREPARED TO WORK.**  
Always walk in quietly. **Take your seat and remain seated.** Bring items necessary for class and have them ready. (My classes typically have something to do even before the bell rings.) Study and do your homework. Be proactive in your learning: seek help before any problems can begin.
- 2. FOLLOW ALL DIRECTIONS.**  
Listen for instructions and follow them carefully.
- 3. GET PERMISSION TO SPEAK OR LEAVE YOUR SEAT.**  
Raise your hand and wait for me to call on you. Talking or strolling around the room distracts everyone. **Restroom and drinking fountain privileges are reserved for emergencies. We will not stop for a general break on block days. Please plan accordingly.**
- 4. TREAT EVERYONE WITH DIGNITY, RESPECT, AND HONESTY.**  
Every person or group has a right to be here. Do not go through someone's belongings or take something that does not belong to you. Physical violence is unacceptable. Verbal abuse is inappropriate. Avoid profane, obscene, or demeaning language. **Nothing less than complete honesty will be tolerated in academics and other classroom affairs.**
- 5. GUM, CELL PHONES, CANDY, FOOD, BEVERAGES, COUGH DROPS, MEDICATION, GADGETS, TOYS, GAMES, PAPER WADS, RUBBER BANDS, AROMATIC SPRAYS, LOTIONS, CALCULATOR GAMES, IPODS, HEAD COVERINGS, ETC. ARE STRICTLY FORBIDDEN. NO COMPUTER OR CHROMEBOOK USAGE WITHOUT EXPRESS TEACHER PERMISSION. WEARING OF WATCHES IS SUBJECT TO TEACHER APPROVAL.**  
Anything not on the list falls under the category "et cetera." Speaking with a wad of gum in your mouth is difficult. Hearing directions while listening to music is impossible. **Turn off your cell phone, place it facing outward in its assigned location.** Leave all food and drinks outside this classroom. We need to focus on learning at all times.
